SUN CREAM

100% NATURAL

Suitable for use in summer and winter

The oils it contains protect the skin from the sun.

Protects from external factors, nourishes and moisturizes.

It can be used as a day cream.

Ingredients: Water, Zinc Oxide, Olivem 1000, Avocado Oil, CocoCaprylate/Caprates, Jojoba Oil, Glycerin, Shea Butter, Caprylic/Capric Triglycerides, Lexgard Natural, Vitamin B3, Tamanu Oil, Vitamin E, Clary Sage Oil, Xanthan Gum, Thus (gum olibanum)

Usage:

It is suitable for use on hands, face and whole body. Due to the oils it contains, our creams should be used in small quantities. It is taken as much as the skin can absorb and massaged into the skin. Thanks to its fast-absorbing formula, it does not leave a greasy feeling on the skin and does not make it greasy. For effective usage, it is renewed every two hours while sunbathing. It is reapplied right after sweating, entering the water or taking a shower. Due to its vegetable oils content, our product is naturally in the form of liquid in warm and solid cream form in cold.
